

# TIMORASSO TANTÈI

## OVERVIEW

Vine variety: Timorasso 100%

Location: southwest facing slopes, 300 m above s.l.

Soil type: a level of clay over grey limestone

Vine planting: 4.000 plants per hectare in the traditional 'Guyot' system

Ages of vines: over 80 years of age

Yield of vines: approximately 6.000 kg/ha

Time of picking: from end of September to the beginning of October.

The grapes are picked by hand into boxes and transferred directly to the cellar.

Processing: gently grape pressing, dregs removal, temperature controlled fermentation and refinement on fine lees for at least 12 months. After short time in oak barrels, the wine is then filtered and bottled.

Alcohol: 13-14% vol.

## NOTES OF THE OENOLOGIST

Colour: straw yellow

Aroma: intense, persistent with traces of flowers. Smooth and elegant with scents of vanilla.

Taste: warm and soft with hints of pear and toasted almond.

## TASTING ADVICE

Enjoyment: Timorasso is a precious wine suitable to the whole meal. It excels as an accompaniment to tasty and cured cheese. It is an elegant support to dishes of white meat, patès and vegetarian servings. Timorasso enhances also the taste of me famous Piemontese 'white truffie'.

## AVAILABLE SIZE

Bottles of 75 cl.
